

## Puzzi 30/ 4

Large capacity, high performance carpet and upholstery cleaner with revolutionary flexible suction tool.

### 1 Removable wastewater container

- To protect against dirt, the dirty water tank's handle is attached to the outside.
- The dirty water tank is easy to remove and can also be used to fill the fresh water tank.

### 2 Extremely quiet

- With just 66 db(A), the Puzzi 30/4 is one of the quietest wet vacuum cleaners.
- Thanks to the low noise volume, the machine can be used everywhere, even during business hours and in hotels.

### 3 Large transport wheels

- Even with a full 30-litre fresh water tank, the Puzzi 30/4 can be easily transported lying on its back.
- An integrated level indicator display shows the operator the current-fresh water level.
